RESTAURANT  
GIFT CARD  
ON US!**

We are offering an amazing deal to Michigan businesses to create Cybersecurity Awareness!

Simply schedule a no-obligation Free Risk Assessment and we'll deliver results and a gift card!

OFFER NOT VALID FOR CURRENT CLIENTS

## CYBERSECURITY

### TIP

Do not connect to unsecured public Wi-Fi in places like hotel lobbies, airports, or coffee shops.

#BeCyberSmart

**Public Wi-Fi connections are convenient but they are not secure!**

---

## Special Offer! Free \$100 Gift Card!

Through November, we are offering a FREE IT risk assessment and a \$100 gift card! We want to ensure our local businesses are secure in their computer network and that they are not susceptible to any external or internal cybersecurity threats. After the free analysis we will treat you to a \$100 gift card! Feel free to use it to feed your staff, take out a client, or whatever you chose! Full details [HERE](#).
